Singer Acknowledgement

In registering, I acknowledge that I am required to be fully vaccinated, and bring a paper or virtual vaccination record to the first rehearsal on September 14. Further, that The Chorale may require singers to wear a mask during the semester. I acknowledge that in-person singing is not completely risk-free even when vaccinated with social distancing and mask wearing. I agree to self-monitor my health for COVID-19 symptoms and agree to not attend rehearsals if I am experiencing any of them and to inform The Chorale immediately if this is the case.
